

DEAR CELEBRATION CHURCH,

We want to start by thanking you for your continued faithfulness throughout this season. Your engagement and participation in church at home and your generosity have opened the door for God to do some amazing things in our church family.

As we all know, things can change quickly in our current season. We have been paying close attention to our local and state authorities as they report and release updates surrounding the pandemic. Due to the increasing number of new Covid-19 cases in Nassau County and out of extreme caution, we are making the decision to postpone our regathering in our church building until further notice to ensure the safety of our volunteers and congregation.

Please continue to follow us on social media as we will continue to update you in this season!

Thank you for your understanding and flexibility during these uncertain times! We look forward to worshipping with you this Sunday online for Church In Your Home.
