

DEAR CELEBRATION CHURCH,

We want to start by thanking you for your continued faithfulness throughout this season. Your engagement and participation in church at home and your generosity have opened the door for God to do some amazing things in our church family and in our community. We have learned so much throughout this season, and although we have been able to navigate online experiences well over the past few months, nothing compares to in-person gatherings.

After much prayer, counsel, and seeking the Lord, our team has decided we will begin our in-person services on Sunday, August 2nd with 2 service options at 9:30am and 11:30am. Our cKids program will be available at our 9:30am and 11:30am services.

We will be doing online registrations to regulate the attendance of each of our services and ensure the safest environment for you and your loved ones. Please be sure to register you and your family for the service you will be attending each week.

You and your family's safety is the biggest priority in making this decision. So if it is best for you and your family to still have church at home, we will have a live stream option of both of our services available for you on YouTube and Facebook.

WHAT PROCEDURES WILL OUR TEAMS HAVE IN PLACE TO ENSURE A SAFE, CLEAN ENVIRONMENT?

- Hand sanitizing stations will be at both entrances
- Masks will be mandatory due to the mandate currently in place for indoor gatherings. Masks and gloves will be available upon request if you do not have your own.
- Our coffee bar will have no self-serve options. (Our coffee bar team will take extra measures to ensure an above-and-beyond sanitary coffee bar experience.)
- All pews and high traffic touch points (door handles, countertops, check in stations) will be sanitized before and after each service
- Services will have a dismissal protocol to avoid crowded high traffic spaces

WHAT WILL LOOK DIFFERENT IN OUR CKIDS CLASSROOMS?

- Children will have their temperature taken at the check-in station before entering their classrooms
- cKids volunteers will be wearing masks
- All toys and tables will be sanitized before and after all services

We recommend if you are feeling any symptoms of sickness to stay home for the day and continue to join us for church online!
